Thank you for emailing me your comments on the draft UIC Dewey-Burdock permitting actions. I have added your email to the list of public comments received. I have also added you to my contact list to keep you informed on future EPA activities related to these proposed actions.

Thank you!

Valois

Subject: Please Leave the Black Hills In Peace

Please, we need you to participate in doing the "ethical and sane" thing. Please leave our Black Hills alone.

I know the powers that be would like to have us warring, angry, overwhelmed and distracted. We know this. Please step up and care about this nation as a whole.

We the people deserve healing, lucidity and truth from our governing bodies. The treaties were broken, 1000 times over, the gas lighting never ceased, Indigenous nations were decimated and destroyed - turning our people into shells, barely human.

Our government succeeded in humiliating, destroying and bringing Indigenous Nations on this continent to our knees. That is not a governing body who unites, nurtures and expands - it is divisive.

Please work with the ethical, the humane and the joyful parts of yourself and this nation.

Please stay out of sacred sites and allow us our peace.

Honor the Treaties!
